DRISCOLL · WEDNESDAY, NOVEMBER 18

WHAT'S A BIKE BUS?

A group of kids and parents riding to school together, on a set route at a set time, going at the pace of the slowest kid. Grown-ups ride at the front and the back.

Three quarters of a mile from Griggs Park to the Driscoll racks, nothing steeper than 3%. We never ride along Beacon Street. We cross it once, all together on one light.

Meet 7:15 at Griggs Park. At school by 7:45.

Organized by Driscoll parents. It isn't a school program and isn't run by the school.

Plenty of kids in the group will be new at this. Ride right next to them, put a younger one on a bike seat or a tag-along, or walk any part of it you want to walk.

Scooters, balance bikes and cargo bikes are all welcome. You're also welcome to come and watch this time and ride with us in November.

The sign-up form asks how you can help

We could use a few more grown-ups on Wednesday morning. Ride at the back with the pump. Stand on a corner in a vest so cars wait while the kids go past. Take some photos.

None of it needs any experience, and you'll be riding with your own kid either way.

DRISCOLL · WEDNESDAY, NOVEMBER 18

CAN YOU HELP LEAD IT?
